EDUCATION

Hanoi University of Science and Technology – HUST

Major: Data Science & Artificial Intelligence - CPA: 4.0/4.0

Bac Giang High School for Gifted Students

GPA: 9.3/9.5/9.7

Ha Noi, Viet Nam

09/2024 - Now

Bac Ninh, Viet Nam

9/2021 - 5/2024

SKILLS

Programming Languages: Python, C/C++, Java, Javascripts

Operating System: Windows

Technology Skills: SQL (MySQL, SQL Server), HTML/CSS/, ...

Knowledges: Git, GitHub, Data structure, OOP, Calculus, Algebra, Probability and Statistics

WORK EXPERIENCE

Machine Learning Lab

Research Assistant

Ha Noi, Viet Nam

11/2025 – Present

- Completed the **Machine Learning training phase**, building strong foundations in Supervised and Unsupervised Learning, with emphasis on Linear Algebra and Calculus for optimization.
- Implemented core ML models (Linear Regression, SVM, Random Forest) from scratch using **NumPy** and **Pandas** to understand algorithmic mechanics.
- Performed Exploratory Data Analysis (EDA) and Feature Engineering on standard datasets to improve model performance.
- Currently studying and researching **Reinforcement Learning (RL)**, focusing on key concepts such as Markov Decision Processes (MDPs), exploration vs. exploitation, and value-based methods.
- Participating in weekly lab seminars to discuss research papers and present findings on topics in ML and RL.

PROJECTS

- Telco Customer Churn Prediction (ML From Scratch)**
Implemented core Machine Learning algorithms (Logistic Regression, KNN, Decision Tree, Random Forest, SVM, Naive Bayes) from scratch using **NumPy**. Built a data pipeline with **EDA**, **feature engineering**, and **SMOTE** for class imbalance. Evaluated models using standard metrics, with **Random Forest achieving the best F1-score (0.63)** and **SVM the highest recall (0.85)**. [GitHub](#)

COMPETITION AND AWARD

- HUST Academic Excellence Scholarship
- Top 2 Student Creative Ideas Challenge - SOICT

CERTIFICATIONS

- First Prize**, National Physics Competition for High School Students (VPhO) 2024
- Second Prize**, National Physics Competition for High School Students (VPhO) 2023
- IELTS 6.5 by British Council 2024
- Google Foundations of Project Management

EXTRACURRICULAR ACTIVITIES

- Head of Entrepreneurship Department**, [SINNO Club](#) 09/2025 – Present
Led entrepreneurship initiatives and startup programs; organized networking events and mentored student projects.
- Academic Member**, [Academic Support Club \(CLB HTHT\)](#) 04/2025 – Present
Delivered lectures and tutoring sessions; contributed to exam design for core Mathematics.
- Active Member**, [FPT Center for Young Talents \(FYT\)](#) 11/2025 – Present
Organized seminars and community events; supported networking among high-achieving students.

PERSONALITY

- Highly responsible, progressive, and humble attitude.
- Quick learner, adaptable, and positive in any situation.
- Good teamwork, problem-solving, and critical thinking skills.
